

Connecting Youth to Leadership, Career, and Community

August 2019

Teacher: _____

Class: _____ Period: _____

I was fortunate enough to be selected to participate in Tomorrow's Leaders Today (TLT) South Class for this school year! TLT has served more than 2000 youth in Sonoma County since 1991. Today, TLT is a program of Boys & Girls Clubs of Sonoma-Marín. TLT's mission is to develop and empower youth to become collaborative leaders and productive members of their communities.

The TLT program includes eight (8) full days of education, exploration, and service out in the community, so I will not be in your class on those days. These Program Days occur approximately once a month, from September - April. The dates are:

Communication	9/18	(Wednesday)
Agriculture	10/17	(Thursday)
Public Safety & Prevention	11/4	(Monday)
Finance	12/7	(Saturday)
Health & Wellness	1/29	(Wednesday)
Government	2/21	(Friday)
High Tech	3/11	(Wednesday)
Community Impact Project	TBD*	(Wednesday)

*The date for the Community Impact Project will be determined by TLT students in April.

Districts and schools have enthusiastically endorsed the TLT program since its inception. Participation in TLT is considered "official" school business and I will not be counted as absent on the days I will be in TLT. I understand that although I will be excused from school on TLT days, I am NOT excused from my homework.

If you have any questions or would like more information about TLT, please feel free to ask me or contact Catrina Dierke, TLT Director, via phone 707-506-6908 or email cdierke@bgcsonoma-marin.org.

Thank you for your support and understanding.
